

Oak View Union Elementary School District

PARENT NOTICE OF RIGHTS AND RESPONSIBILITIES 2018-2019

State law requires that parents be notified of their rights and responsibilities in certain matters pertaining to their children's education.

1. **Absence for Religious Exercises and Instruction:** Pupils may be excused, with written permission from a parent or guardian, in order to participate in religious exercises or receive moral and religious instruction away from school property. Every pupil so excused must attend at least the minimum school day. No pupil shall be excused from school for such purpose on more than four days per school month. (Ed. Code, § 46014)

2. **Comprehensive Sexual Health Education and HIV/AIDS Prevention Education:** A parent or guardian has the right to excuse their child from comprehensive sexual health education and HIV prevention education. A parent or guardian who wishes to exercise this right must state their request in writing. (Ed. Code, § 51938) A parent or guardian may inspect the written and audio visual educational materials used in comprehensive sexual health education and HIV/AIDS prevention education. Parents have a right to request that the District provide them with a copy of the California Healthy Youth Act (Education Code section 51930 et. seq)

Parents or guardians shall be notified in writing if the District plans to administer an anonymous, voluntary and confidential test, questionnaire or survey containing age-appropriate questions about the pupils' attitudes concerning or practices related to sex in grades 7 to 12 and given the opportunity to review the test, questionnaire or survey. A Parent or guardian has the right to excuse their child from the test, questionnaire, or survey by stating their request in writing. (Ed. Code, § 51938)

Every child's parent will be notified prior to the commencement of any comprehensive sexual health education and HIV/AIDS prevention education instruction as to the date of such instruction and whether the instruction will be taught by District personnel or by outside consultants. If outside consultants are used, the name of the organization of each guest speaker will be identified.

3. **Excuse from Instruction in Health:** Upon written request of a parent, a pupil may be excused from any part of instruction in health which conflicts with the parent(s)' religious training or beliefs (including personal moral convictions). (Ed. Code, § 51240)

4. **Administration of Medication:** Medication prescribed by a physician for a child may be administered during the school day by a registered nurse or other designated school personnel, or self-administered by the child if the medication is prescription auto-injectable epinephrine or prescription inhaled asthma medication, but only if the parent consents in writing and provides detailed written instructions from a physician, or a physician assistant as specified by law. Forms for administering medication may be obtained from the school secretary. (Ed. Code, §§ 49423, 49423.1, 49423.5, 49480)

5. **Students on Medication:** Parents are to notify the principal if their child is on a continuing medication regimen. This notification shall include the name of the medication being taken, the dosage, and the name of the supervising physician. With parental consent, the principal or school nurse may confer with the physician regarding possible effects of the drug, including symptoms of adverse side effects, omission or overdose and counsel with school personnel as deemed appropriate. (Ed. Code, § 49480)

6. **Immunizations:** The District shall exclude from school any pupil who has not been immunized properly, unless the pupil is exempted from the immunization requirement pursuant to Health and Safety Code

section 120370. The immunization exemption based on personal beliefs has been eliminated. (Health & Safety Code, § 120325). A student who, prior to January 1, 2016, submitted a letter or affidavit on file at the District, stating beliefs opposed to immunization, is permitted to enroll in that institution until the student enrolls in the next grade span. Grade span means: 1) birth to preschool; 2) kindergarten and grades 1 through 6, inclusive, including transitional kindergarten; and 3) grades 7 through 12, inclusive. On or after July 1, 2016, the District shall exclude from school for the first time or deny admittance or deny advancement to any student to the 7th grade unless the student has been immunized for his or her age as required by law. (Health & Safety Code, § 120335). A student may still be exempted from the immunization requirement based on medical condition or circumstances. A parent or guardian must file with the District a statement from a licensed physician saying that the immunization is not considered safe and is not recommended based upon the nature or duration of the medical condition or circumstances, including, but not limited to, the family medical history. (Health & Safety Code, § 120370)

A parent or guardian may consent in writing for a physician, surgeon, or health care practitioner acting under the direction of a supervising physician and surgeon to administer an immunizing agent to a pupil at school. (Ed. Code, §§ 48216, 48980(a), 49403, Health & Safety Code, §§ 120325, 120335)

7. **Physical Exams and Testing:** The District is required to conduct certain physical examinations and vision, hearing and scoliosis testing of students unless the parent has a current written objection on file. However, the child may be sent home if he or she is believed to be suffering from a recognized contagious or infectious disease. (Ed. Code, §§ 49451, 49452, 49452.5 and 49455; Health & Safety Code, § 124085)

8. **Confidential Medical Services:** For students in grades 7 through 12, the District may release a student for the purpose of obtaining confidential medical services without obtaining the consent of the student's parent or guardian. (Ed. Code, § 46010.1)

9. **Medical Coverage for Injuries:** Medical and hospital services for pupils injured at school or school-sponsored events, or while being transported, may be insured at parent's expense. No pupil shall be compelled to accept such services without his or her consent or, if the pupil is a minor, without the consent of a parent or guardian. (Ed. Code, § 49472)

10. **Services for Students with Exceptional Needs or a Disability:** State and federal law require that a free and appropriate public education (FAPE) in the least restrictive environment be offered to qualified pupils with disabilities ages 3 through 21 years. Students classified as individuals with exceptional needs for whom a special education placement is unavailable or inappropriate may receive services in a private nonsectarian school. Please contact the local director of special education for specific information. (Ed. Code, § 56040 et seq.) In addition, services are available for students who have a disability which interferes with their equal access to educational opportunities. (Section 504 of the Rehabilitation Act of 1973, 34 C.F.R. §104.32) The District official listed below is responsible for handling requests for services under Section 504 and may be reached at the following address and telephone:

Beverly Boone
7474 East Collier Road
Acampo, CA 95220
209-368-0636

11. **No Academic Penalty for Excused Absence:** No pupil may have his or her grade reduced or lose academic credit for any absence or absences which are excused for the reasons specified below when missed assignments and tests that can reasonably be provided are satisfactorily completed within a reasonable period of time. (Ed. Code, §§ 48205, 48980(j))

A pupil shall be excused from school when the absence is:

- (1) Due to the pupil's illness.
- (2) Due to quarantine under the direction of a county or city health officer.
- (3) For the purpose of having medical, dental, optometrical, or chiropractic services rendered.
- (4) For the purpose of attending the funeral services of a member of the pupil's immediate family, so long as the absence is not more than one day if the service is conducted in California and not more than three days if the service is conducted outside California.
- (5) For the purpose of jury duty in the manner provided for by law.
- (6) Due to the illness or medical appointment during school hours of a child of whom the pupil is the custodial parent.
- (7) For justifiable personal reasons, including but not limited to, an appearance in court, attendance at a funeral service, observance of a holiday or ceremony of the pupil's religion, attendance at religious retreats, attendance at an employment conference, or attendance at an educational conference on the legislative or judicial process offered by a nonprofit organization, when the pupil's absence is requested in writing by the parent or guardian and approved by the principal or a designated representative pursuant to uniform standards established by the governing board.
- (8) For the purpose of serving as a member of a precinct board for an election pursuant to section 12302 of the Elections Code.
- (9) For the purpose of spending time with a member of the pupil's immediate family, who is an active duty member of the uniformed services, as defined in Section 49701, and has been called to duty for, is on leave from, or has immediately returned from, deployment to a combat zone or combat support position. Absences granted pursuant to this paragraph shall be granted for a period of time to be determined at the discretion of the superintendent of the school district.
- (10) For the purpose of attending the pupil's naturalization ceremony to become a United States citizen.

A pupil absent from school under this section shall be allowed to complete all assignments and tests missed during the absence that can be reasonably provided and, upon satisfactory completion within a reasonable period of time, shall be given full credit therefor. The teacher of the class from which a pupil is absent shall determine which tests and assignments shall be reasonably equivalent to, but not necessarily identical to, the tests and assignments that the pupil missed during the absence.

For purposes of this section, attendance at religious retreats shall not exceed four hours per semester.

Absences pursuant to this section are deemed to be absences in computing average daily attendance and shall not generate state apportionment payments.

"Immediate family," as used in this section refers to mother, father, grandmother, grandfather, or a grandchild of the pupil or of the spouse of the pupil, and the spouse, son, son-in-law, daughter, daughter-in-law, brother, or sister of the pupil, or any relative living in the immediate household of the pupil. (Ed. Code, § 48205)

12. **Equal Opportunity:** Equal opportunities for both sexes in all educational programs and activities run by the District is a commitment made by the District to all students. (Title IX of the Education Amendments of 1972.) Inquiries on all matters, including complaints, regarding the implementation of Title IX in the District may be referred to the District official listed below at the following address and telephone:

Beverly Boone
7474 East Collier Road
Acampo, CA 95220
209-368-0636

13. **Complaints (Special Education):** Parents may file a complaint concerning violations of federal or state law or regulations governing special education related services. Parents may submit a description of the manner in which the parent believes special education programs for handicapped do not comply with state or federal law or regulations to:

Acampo, CA 95220
209-368-0636

14. **Release of Student Information:** The District does not release information or records concerning a child to noneducational organizations or individuals without parent consent except by court order, receipt of a lawfully issued subpoena, or when otherwise allowed by law. The following categories of directory information may be made available to various persons, agencies or institutions unless the parent or guardian notifies the District in writing not to release such information:

Name, address, telephone, date of birth, email address, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, diplomas and awards received, and most recent previous educational institution attended. (Ed. Code, §§ 49060 et seq., 49073, 20 U.S.C. § 1232g, 34 C.F.R. § 99.7) In accordance with state and federal law, the District may also make available photographs, videos, and class rosters.

Directory information will not be released regarding a pupil identified as a homeless child or youth unless a parent, or pupil accorded parental rights, has provided written consent that directory information may be released. (Ed. Code, § 49073(c), 20 U.S.C. § 1232g, 42 U.S.C. § 11434a(2))

15. **Information Obtained from Social Media:** A school district that considers a program to gather or maintain in its records any information obtained through social media of any enrolled student shall notify students and their parents or guardians about the proposed program and provide an opportunity for public comment at a regularly scheduled public meeting of the Governing board of the school district. The notification shall include, but is not limited to, an explanation of the process by which a student or a student's parent or guardian may access the student's records to examine the information gathered or maintained, and an explanation of the process by which a student or student's parent or guardian may request the removal of information or make corrections to information gathered or maintained. (Ed, Code § 49073.6)

16. **Inspection of Student Records:** State law requires that the District notify parents of the following rights which pertain to student records. (Ed. Code, §§ 49063, 49069, 34 C.F.R. § 99.7)

a. A parent or guardian has the right to inspect and review student records relating directly to his or her child during school hours or obtain a copy of such records within five (5) business days of his/her request.

b. Any parent who wishes to review the types of student records and information contained therein may do so by contacting the principal at his/her child's school. The principal of each school is ultimately responsible for maintenance of student records.

c. A parent with legal custody has a right to challenge information contained in his/her child's records. Any determination to expunge a student's record is made after a review of said record(s) by site administrators and certificated staff. Following an inspection and review of student records, the parent may challenge the content of the student's record. The right to challenge becomes the sole right of the student when the student becomes eighteen (18) years of age.

A parent may file a written request with the Superintendent of the District to remove any information recorded in the written records concerning the child which is alleged to be:

- (1) Inaccurate.
- (2) An unsubstantiated personal conclusion or inference.
- (3) A conclusion or inference outside of the observer's area of competence.
- (4) Not based on the personal observation of a named person with the time and place of the observation noted.
- (5) Misleading.
- (6) In violation of the privacy or other rights of the pupil.

Within thirty (30) days, the Superintendent or designee shall meet with the parent/guardian and the certificated employee who recorded the information, if any, and if the person is still employed with the District, and sustain or deny the allegations. If the allegations are sustained, the Superintendent shall order the correction, removal or destruction of the information. If the Superintendent denies the allegations, the parent may appeal the decision to the Governing Board within thirty (30) days. The Board shall determine whether or not to sustain or deny the allegations. If the Board sustains the allegations, it shall order the Superintendent to immediately correct, remove or destroy the information from the written records of the student. (Ed. Code, § 49070)

If the final decision of the Board is unfavorable to the parents, or if the parent accepts an unfavorable decision by the District Superintendent, the parent shall have the right to submit a written statement of objections to the information. This statement shall become a part of the student's school record until such time as the information objected to is removed.

Both the Superintendent and the Board have the option of appointing a hearing panel in accordance with Education Code sections 49070-49071 to assist in the decision making. The decision as to whether a hearing panel is to be used shall be made at the discretion of the Superintendent or the Board and not of the challenging party.

d. A Student Records Log is maintained for each student. The Student Records Log lists persons, agencies or organizations requesting and/or receiving information from the records to the extent required by law. Student Records Logs are located at each school and are open to inspection by parents or guardians. (Ed. Code, § 49064)

e. School officials and employees having a legitimate educational interest, as well as persons identified in Education Code sections 49076 and 49076.5 and in the Family Educational Rights and Privacy Act, may access student records without first obtaining parental consent. "School officials and employees" are persons employed by the District as an administrator, supervisor, instructor, or support staff member (including health or medical staff and District-employed law enforcement personnel), a Board member, a person or company with whom the District has contracted to perform a special service (such as an attorney, auditor, medical consultant, or therapist), or a parent, student, foster family agency, short-term residential treatment staff, or caregiver whose access to student records is legally authorized. A "legitimate educational interest" is one held by a school official or employee

whose duties and responsibilities create a reasonable need for access. (Ed. Code, §§ 49063(d), 49076, 49076.5 20 U.S.C. § 1232g)

f. Parents and guardians have the right to authorize the release of student records to themselves. Only parents and guardians with legal custody can authorize the release of student records to others.

g. Parents and guardians will be charged 5 cents (.05) cents per page for the reproduction of student records.

h. Parents have a right to file a complaint with the U.S. Department of Education for alleged violations of parent rights related to student records. (20 U.S.C. § 1232g(g))

i. Parents may obtain a copy of the District's complete student records policy by contacting the Superintendent.

17. **Family Educational Rights and Privacy Act:** In addition, parents have certain rights regarding student information and records which are guaranteed under federal law. A handout notifying parents of these rights is attached.

18. **Student Discipline:** District and School rules pertaining to student discipline are available to parents or guardians of district students in the school office. (Ed. Code, § 35291) Students may be subject to discipline for off-campus misconduct if the misconduct is related to school activity or attendance and causes or is reasonably likely to cause a substantial disruption to school activity. For example, a student using technology such as a home computer, cellular phone, or other electronic device may be disciplined for bullying, engaging in unlawful harassment, or making threats against students, staff, or district property even if such misconduct occurred off-campus and during nonschool hours. (Ed. Code, §48900(r))

19. **Dissection of Animals:** If a student has a moral objection to dissecting (or otherwise harming or destroying) animals, or any part of an animal, the pupil must notify the teacher regarding such objection, and the objection must be substantiated with a note from the pupil's parent or guardian. If the pupil chooses to refrain from participating in such a project or test, and if the teacher believes that an adequate alternative education project or test is possible, then the teacher may work with the pupil to develop and agree upon an alternate education project or test for the purpose of providing the pupil an alternate avenue for obtaining the knowledge, information or experience required by the course of study. (Ed. Code, §§ 32255-32255.6)

20. **Temporary Disability:** A temporary disability which makes it impossible or inadvisable for a student to attend class may entitle the student to receive individualized instruction. It is the responsibility of the pupil's parent or guardian to notify the school district in which the pupil is deemed to reside of the pupil's need for individualized instruction. A student with a temporary disability who is in a hospital or other residential health facility, other than a state hospital, which is located outside the student's school district of residence shall be deemed to comply with the residency requirements of the school district in which the hospital is located. (Ed. Code, §§ 48206.3, 48207, 48208, 48980(b))

21. **Student Residency:** A student may be enrolled in the District if (1) the student's parent, legal guardian or other person having control and charge of the student resides in the District (Ed. Code, §48200); (2) the District has approved interdistrict attendance (Ed. Code, § 46600); (3) the student is placed in a regularly established children's institution, licensed foster home, or family home; (4) the student is a foster child who remains in his or her school of origin pursuant to Education Code Section 48853.5(f) and (g); (5) the student is emancipated and lives within the District; (6) the student lives in the home of an adult who has submitted a caregiver affidavit; (7) the student resides in a state hospital within the District; or (8) the student's parent or legal guardian resides outside of the boundaries of the school district but is employed and lives with the student at the place of his/her employment within the school district boundaries for a minimum of three days during the school week. (Ed. Code, § 48204). The law allows, but does not require, a district to accept a student for

enrollment where at least one parent or legal guardian of the student is physically employed within the district's boundaries for a minimum of 10 hours during the school week. (Ed. Code, §48204). A student also complies with the residency requirements for school attendance in a school district if he or she is a student whose parent is transferred or pending transfer to a military installation within the state while on active duty pursuant to an official military order. However, the parent must provide proof of residence in the school district within ten days after the published arrival date provided on official documentation. (Ed. Code, §48204.3) A student also complies with the residency requirement if the student's parent/guardians were residents of the state but departed California against their will if the student provides official documentation evidencing the departure of her/his parent/guardians against their will; that the student moved outside of California as a result of her/his parent/guardians departing California against their will, and that the student lived and was enrolled in school in California immediately before moving outside California. (Ed. Code, §48204.4)

22. **Attendance Options:** All districts must inform parents at the beginning of the school year how to enroll in a school within the district that is different than the one assigned. Students who attend schools other than those assigned by the district are referred to as "transfer students" throughout this notification. There is one process for choosing a school within the district which the parent lives (intradistrict transfer), and three separate processes for selecting schools in other districts (interdistrict transfer). (Ed. Code, § 48980(h)) For information on the District's Policy of Interdistrict and Intradistrict, please contact the office.

Attached is a copy of the District's Policy of Interdistrict and Intradistrict Transfers. Parents interested in interdistrict or intradistrict transfers should contact the District Superintendent. The general requirements and limitations of each process are described as follows:

a. Choosing a School Within the District in Which Parent Lives: Education Code section 35160.5(b) requires the school board of each district to establish a policy that allows parents to choose the schools their children will attend, regardless of where the parent lives in the district. The law limits choice within a school district as follows:

- Students who live in the attendance area of a school must be given priority to attend that school over students who do not live in the school's attendance area.
- In cases in which there are more requests to attend a school than there are openings, the selection process must be "random and unbiased," which generally means students must be selected through a lottery process rather than on a first-come, first-served basis. A district cannot use a student's academic or athletic performance as a reason to accept or reject a transfer.
- Each district must decide the number of openings at each school which can be filled by transfer students. Each district also has the authority to keep appropriate racial and ethnic balances among its schools, meaning that a district can deny a transfer request if it would upset this balance or would leave the district out of compliance with a court-ordered or voluntary desegregation program.
- A district is not required to provide transportation assistance to a student that transfers to another school in the district under these provisions.
- If a transfer is denied, a parent does not have an automatic right to appeal the decision. A district may, however, voluntarily decide to put in place a process for parents to appeal a decision.

b. Choosing a School Outside the District in Which Parent Lives: Parents have two different options for choosing a school outside the district in which they live. The three options are:

i. Interdistrict Transfers (Ed. Code, §§ 46600–46610): The law allows two or more districts to enter into an agreement for the transfer of one or more students for a period of up to five years. New agreements may be entered into for additional periods of up to five years each. The agreement must

specify the terms and conditions under which transfers are permitted. The law on interdistrict transfers also provides for the following:

- Once a pupil is enrolled in a school pursuant to an interdistrict transfer agreement, the pupil must be allowed to continue to attend the school in which he or she is enrolled without reapplying, unless revocation of the interdistrict transfer is a term and condition of the agreement between the districts; however, a district must not rescind existing transfer permits for pupils entering grade 11 or 12 in the subsequent school year.

- Upon request, a pupil determined to be the victim of an act of bullying by a pupil of the district of residence must be given priority for interdistrict attendance under any existing interdistrict attendance agreement or additional consideration for the creation of an interdistrict attendance agreement. (Ed. Code, §§ 46600(b), 48900(r))

- If either district denies a transfer request, a parent may appeal that decision to the county board of education. There are specified timelines in the law for filing an appeal and for the county board of education to make a decision.

- A school district of residence shall not prohibit the transfer of a student who is a child of an active military duty parent to a school of proposed enrollment if the school district of proposed enrollment approves the transfer application. (Ed. Code, §46600(d))

ii. “Allen Bill” Transfers (Ed. Code, § 48204(b)): The law allows, but does not require, each school district to adopt a policy whereby the student may be considered a resident of the school district in which his/her parents (or legal guardian(s)) physically work for a minimum of 10 hours during the school week if that is different from the school district in which the student resides. This code section does not require that a school district accept a student requesting a transfer on this basis, but a student may not be rejected on the basis of race/ethnicity, sex, parental income, academic achievement, or any other “arbitrary” consideration. Other provisions of Education Code section 48204(b) include:

- Either the district in which the parent (or legal guardian) lives or the district in which the parent (or legal guardian) physically works may prohibit the student’s transfer if it is determined that there would be a negative impact on the district’s desegregation plan.

- The district in which the parent (or legal guardian) physically works may reject a transfer if it determines that the cost of educating the student would be more than the amount of state funds the district would receive for educating the student.

- There are set limits (based on total enrollment) on the net numbers of students that may transfer out of a district under this law, unless the district approves a greater number of transfers.

- There is no required appeal process for a transfer that is denied. However, the district that declines to admit a student is encouraged to provide in writing to the parent the specific reasons for denying the transfer.

23. **Sexual Harassment Policy:** Each student will receive a written copy of the district policy on sexual harassment. The purpose of this policy is to provide notification of the prohibition against sexual harassment as a form of sexual discrimination and to provide notification of available remedies. A copy of the District's policy on sexual harassment is attached. (Ed. Code, §§ 231.5, 48980(g))

24. **Notice of Alternative Schools:** California state law authorizes all school districts to provide for alternative schools. Section 58500 of the Education Code defines alternative school as a school or separate class group within a school which is operated in a manner designed to:

- a. Maximize the opportunity for students to develop the positive values of self-reliance, initiative, kindness, spontaneity, resourcefulness, courage, creativity, responsibility, and joy.
- b. Recognize that the best learning takes place when the student learns because of the student's desire to learn.
- c. Maintain a learning situation maximizing student self-motivation and encouraging the student in his or her own time to follow his or her own interests. These interests may be conceived by the student totally and independently or may result in whole or in part from a presentation by the student's teachers of choices of learning projects.
- d. Maximize the opportunity for teachers, parents and students to cooperatively develop the learning process and its subject matter. This opportunity shall be a continuous permanent process.
- e. Maximize the opportunity for the students, teachers, and parents to continuously react to the changing world, including but not limited to the community in which the school is located.

In the event any parent, pupil, or teacher is interested in further information concerning alternative schools, the county superintendent of schools, the administrative office of this district, and the principal's office in each attendance unit have copies of the law available for parent information. This law particularly authorizes interested persons to request the governing board of the district to establish alternative school programs in each district. (Ed. Code, § 58501)

25. **Nutrition Program:** The State Department of Education has established a statewide program to provide nutritious meals and milk at school for pupils, and to provide free meals to the neediest children. In some instances, nominal cash payments may be required. (Ed. Code, § 49510 et seq.)

26. **U.S. Department of Education Programs:** The following applies only to programs directly funded by the U.S. Department of Education:

All instructional materials, including teacher's manuals, films, tapes, or other supplementary material which will be used in connection with any survey, analysis, or evaluation shall be available for inspection by the parents or guardians of the children.

No student shall be required, as part of any applicable U.S. Department of Education funded program, to submit to a survey, analysis, or evaluation that reveals information concerning:

- a. political affiliations or beliefs of the student or student's parents;
- b. mental and psychological problems of the student or his/her family;
- c. sex behavior or attitudes;
- d. illegal, anti-social, self-incriminating or demeaning behavior;
- e. critical appraisals of other individuals with whom respondents have close family relationships;
- f. legally recognized privileged or analogous relationships, such as those of lawyers, physicians, and ministers;
- g. religious practices, affiliations, or beliefs of the student or student's parent; or
- h. income (other than that required by law to determine eligibility for participation in a program or for receiving financial assistance under such program)

without the prior consent of the student (if the student is an adult or emancipated minor), or in the case of an unemancipated minor, without the prior written consent of the parent.

(20 U.S.C. § 1232h)

27. Uniform Complaint Procedures:

Complaints Alleging Discrimination, Harassment, Intimidation, and Bullying:

State and federal law prohibit discrimination in education programs and activities. The district is primarily responsible for compliance with federal and state laws and regulations. (Cal. Code Regs., tit 5, § 4620. Under state law, all pupils have the right to attend classes on school campuses that are safe, secure, and peaceful. (Ed. Code, § 32261.) State law requires school districts to afford all pupils equal rights and opportunities in education, regardless of their actual or perceived characteristics, such as disability (mental and physical), gender (includes gender identity, gender expression, and gender-related appearance and behavior whether or not stereotypically associated with the person's assigned sex at birth), nationality (includes citizenship, country of origin and national origin) immigration status, race or ethnicity (includes ancestry, color, ethnic group identification and ethnic background), religion (includes all aspects of religious belief, observance and practice, including agnosticism and atheism), sexual orientation (heterosexuality, homosexuality or bisexuality), or association with a person or group with one or more of these actual or perceived characteristics. (Ed. Code, §§ 210-214, 220 et seq., 234 et seq., 66260–66264, Cal. Code Regs., tit. 5, § 4900 et seq., 20 U.S.C. § 1681 et seq., 29 U.S.C. § 794, 42 U.S.C. § 2000d et seq., 42 U.S.C. § 12101 et seq., 34 C.F.R. § 106.9) The District prohibits discrimination, harassment, intimidation, bullying and retaliation in all acts related to school activity or attendance. In addition to being the subject of a complaint, a pupil engaging in an act of bullying as defined by Education Code section 48900(r) may be suspended from school or recommended for expulsion.

The District's Uniform Complaint Procedure may be used in cases where individuals or a group have suffered discrimination, harassment, intimidation, or bullying. (Cal. Code Regs., tit. 5, §§ 4610, 4630, 4650, Ed. Code, § 234 et seq., 48900(r).)

- a. Any individual, public agency or organization has the right to file a written complaint alleging that he/she has personally suffered unlawful discrimination or that an individual or specific class of individuals has been subjected to unlawful discrimination. (Cal. Code Regs., tit. 5, § 4630(b)(1))

Notification of Rights Under FERPA for Elementary and Secondary Schools

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. These rights are:

(1) The right to inspect and review the student's education records within 45 days of the day the School receives a request for access.

Parents or eligible students should submit to the School principal [or appropriate school official] a written request that identifies the record(s) they wish to inspect. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

Interdistrict Attendance - BP 5117

The Governing Board recognizes that parents/guardians of students who reside in one district may, for a variety of reasons, choose to enroll their child in a school in another district.

Interdistrict Attendance Permits

The Board may enter into an agreement with any other school district, for a term not to exceed five school years, for the interdistrict attendance of students who are residents of the districts. (Education Code [46600](#))

The agreement shall specify the terms and conditions under which interdistrict attendance shall be permitted or denied. It also may contain standards agreed to by both districts for reapplication and/or revocation of the student's permit. (Education Code [46600](#))

Upon receiving a permit for transfer into the district that has been approved by the student's district of residence, or upon receiving a written request from the parent/guardian of a district student who wishes to enroll in another district, the Superintendent/Principal or designee shall review the request and may approve or deny the permit subject to the terms and conditions of the interdistrict attendance agreement.

Transportation

The district shall not provide transportation beyond its geographical boundaries. Upon request, the Superintendent/Principal or designee may authorize transportation for interdistrict transfer students to and from designated bus stops within the attendance area if space is available.

Limits on Student Transfers Out of the District to a School District of Choice

The Superintendent/Principal or designee may limit the number of student transfers out of the district to a school district of choice based on the percentages of average daily attendance specified in Education Code [48307](#).

In addition, transfers out of the district may be limited during a fiscal year when the County Superintendent of Schools has given the district a negative budget certification or when the County Superintendent has determined that the district will not meet the state's standards and criteria for fiscal stability in the subsequent fiscal year exclusively as a result of student transfers from this district to a school district of choice. (Education Code [48307](#))

The district may deny a transfer of a student out of the district to a school district of choice if the Board determines that the transfer would negatively impact a court-ordered or voluntary desegregation plan of the district. (Education Code [48301](#))

Immigration Enforcement from the California Attorney General

Your Child has the Right to a Free Public Education

All children in the United States have a Constitutional right to equal access to free public education, regardless of immigration status and regardless of the immigration status of the students' parents or guardians.

In California: All children have the right to a free public education.

All children ages 6 to 18 years must be enrolled in school.

All students and staff have the right to attend safe, secure, and peaceful schools.

All students have a right to be in a public school learning environment free from discrimination, harassment, bullying, violence, and intimidation.

All students have equal opportunity to participate in any program or activity offered by the school, and cannot be discriminated against based on their race, nationality, gender, religion, or immigration status, among other characteristics.

Information Required for School Enrollment

When enrolling a child, schools must accept a variety of documents from the student's parent or guardian to demonstrate proof of child's age or residency.

You never have to provide information about citizenship/immigration status to have your child enrolled in school. Also, you never have to provide a Social Security number to have your child enrolled in school.

Confidentiality of Personal Information

Federal and state laws protect student education records and personal information. These laws generally require that schools get written consent from parents or guardians before releasing student information, unless the release of information is for educational purposes, is already public, or is in response to a court order or subpoena.

Some schools collect and provide publicly basic student “directory information.” If they do, then each year, your child’s school district must provide parents/guardians with written notice of the school’s directory information policy, and let you know of your option to refuse release of your child’s information in the directory.

Family Safety Plans if You Are Detained or Deported

You have the option to provide your child’s school with emergency contact information, including the information of secondary contacts, to identify a trusted adult guardian who can care for your child in the event you are detained or deported.

You have the option to complete a Caregiver’s Authorization Affidavit or a Petition for Appointment of Temporary Guardian of the Person, which may enable a trusted adult the authority to make educational and medical decisions for your child.

Right to File a Complaint

Your child has the right to report a hate crime or file a complaint to the school district if he or she is discriminated against, harassed, intimidated, or bullied on the basis of his or her actual or perceived nationality, ethnicity, or immigration status.
