

## How to Access Clever for Oak View Students

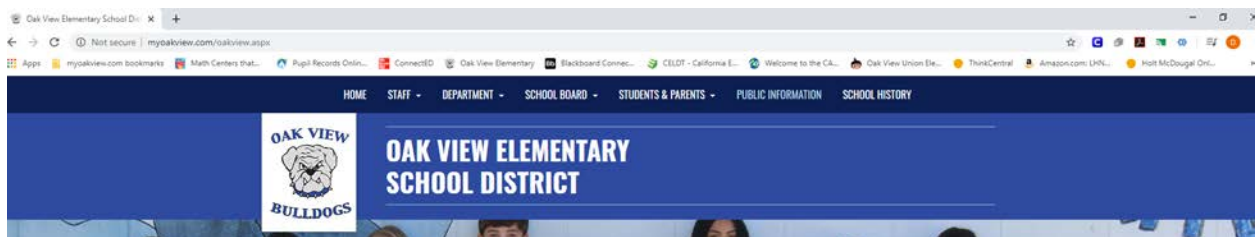

1. Go to the Google Chrome website:

2. Clever is only accessible to Oak View students through their Oak View student Google accounts. They cannot access through any other Google account. Click on the area in the upper right corner of the Google Chrome screen and log out of any Google account that is not your child's school account. Then sign in with your child's student Google account. For most students, the user name is ([firstname+lastname@myoakview.com](#)) ex. [davidfranke@myoakviw.com](#) Their password is (ovs+student number) ex. ovs366298. Please contact the student's teacher if the student Google login is needed.

3. Once your student is logged into their Oak View student Google account, go to the school website at [myoakview.com](#).

4. Click on the link on the home page to add the “Clever Extension” to your device.
